CLARKSTON CHAMBER OF COMMERCE - ANNUAL MURDER MYSTERY DINNER

Actors Needed! CVP is producing the Clarkston Chamber of Commerce's annual Murder Mystery Dinner again this year. The event is Tuesday, October 23, 2018 - 6:00pm to 9:00pm at the Pine Knob Mansion. This year's theme is 1980's Prom, and we will be performing the play "Murder at the Prom" which is a SCRIPTED interactive murder mystery. Unlike previous years, we will have a script so there will be less reliance on improv.

Please let me (Sara Sanger) know if you would like to participate - call/text 586-822-6255 or email slsanger16@yahoo.com (I don't plan to hold formal auditions). We will start rehearsals in Sept. I don't anticipate needing more than 4-5 rehearsals. Actors will be responsible for procuring their own costumes if CVP doesn't have suitable available. The characters will be played by adults, we're not looking for age-appropriate actors. **I have the male roles filled, but desperately need 2 women to fill out the cast.** If you ever wanted to perform this is a good place to start.

CASTING - 3m, 2f, 1m or f

BELLA BALOOPI - a loud-mouthed, bawdy female from the wrong side of the tracks; a tough moll-type with a temper; high school senior

VINNIE DIMICI - a Brooklyn-esque greaser with a brash style - rude, in-your-face and boisterous; trouble-maker with no etiquette, yet he can be smooth in his own testosterone-infused way; high school senior.

CATHERINE CRANSTON - a former military official; now an ostensibly straight-laced, commandeering high school principal; an efficient leader with a no-nonsense sensibility; 40-55 years old.

PATTY PRIMPINPOOF - a nosey, belligerent spoiled brat; an overly zealous participant in class activities, even though she is the school outcast; very unattractive; high school senior. Can be played by a man in drag.

CHARLES JONATHAN EDWARD BUCKLEY III (CHUCKY) - an obnoxious, pretentious prig; a very wealthy WASP, who flaunts his superior social position formidably; high school senior.

MARGOT RALSTON (MUFFY) - an abominable snob, whose constant degradation of people less financially well-off than she is loathsome; very attractive; high school senior.

KIM CRANSTON - Catherin's twin sister; a tough private investigator with a passion for solving crimes; deliberate and intelligent; 40-55 years old. Played by the same actress as Catherine.

KROGER REWARDS PROGRAM

You can get to the website for Kroger at www.kroger.com. From there, click on the tab for “community” and it will show you the Kroger Community Rewards program. From there, you will either sign in (for renewals) or Create an Account (to link your card to CVP). If you have forgotten your account information, you may stop in to the service desk at your local store and ask for assistance. There, wasn't that easy? And that simple gesture from you and others like you, generates more than \$200 annually for Clarkston Village Players. Every little bit helps. Thank you for enrolling in the very helpful program.

AMAZON SMILE PROGRAM

Did you know that you can help CVP simply by shopping on Amazon?

The program is called Amazon Smile, and once you are signed up for it, a portion of every purchase you make is sent directly to the bank account for Clarkston Village Players. If we all sign up for it, it could add up to a lot. If you are interested, please go to the Amazon.com website as you normally would and search for the Smile Program. When you finish signing up, you will not have to do anything else. Your regular login to Amazon will automatically take you to the Amazon Smile site, where you can shop as usual, and part of what you spend is sent back to CVP. It is simple to do and there is nothing more to remember or sign in for once you are registered. Please consider helping our theatre group in this small but useful way.
